# EXHIBITS

- COMING SOON!
- We are currently revamping the Nature Center inside the Museum. In order to better preserve our taxidermy, we are building an enclosure that will display them in a more natural setting while keeping them at a safe distance to prevent touching and reduce the number of signs. We hope to raise funds to add push button controls allowing patrons to listen to the sounds of each animal.

- 
- To stay up to date on activities at the Tipton County Museum, please visit our website at [www.tiptoncountymuseum.org](http://www.tiptoncountymuseum.org), stop by for a visit or check us out on Facebook and Instagram.
