Additional Updates:

Update on CID Roof Repairs – CID Building 300 W. Church Street – recent wind and rainstorms damaged the roof resulting in a leak. PEP Insurance was contacted with a claim filed resulting in the PEP adjuster coming 23 March. The claim has a \$5,000.00 deductible. Four estimates were obtained. PEP Insurance approved to pay damages of \$51,289.83. Balance after deductible is **\$46,289.83**. The roof estimate selected was from James Russell Roofing & Restorations LLC. They had the upgraded Atlas shingles in the bid, with a 15-year warranty on material and their labor. The work is scheduled to begin on April 28.

Sell of Firearm summary – CPD obtained signed orders by the judge for all seized firearms deemed to be either a guilty verdict or forfeited property. The CPD evidence technician Kyleigh Reed inspected the firearms for review by approved license firearm dealers in February 2026 at CID. The firearm dealers provided valid FFL licenses as required to buy/sell any law enforcement seized firearms. The preview date was set for March 31st, for all dealers to come view the firearms; The official bidding process began immediately following the preview. The bidding ended on April 6th at 5pm. The highest bidder was Darrell Yarbro for **\$7,175.00**, which ultimately was the one we agreed upon.

Lt Doss was involved in a multi-vehicle motor vehicle crash on March 24, 2026. This involved a gravel truck belonging to Midsouth Supplies. Estimates were submitted; the insurance company was contacted, and a claim was filed. The insurance company sent out an adjuster from Accurate Appraisals, who then submitted an appraisal. The adjuster recommended Jay's Paint and Body because they were the only ones who put the truck on the rack and looked underneath for body damage and estimated the toolboxes and bedcover replacement.
